

“Again and again you see the incontrovertible evidence that the long struggle is almost over. The last desperate gasps of Western Civilization, will soon cease.

The great *conflict of civilizations*, is nearly over. Allah has promised victory to his believers and the inevitability of that victory should be obvious.”

*Your grandchildren will be Muslim. They will live in peace and freedom according to the will of Allah.*

Reza. *Jihad Watch* August 10, 2004

These chilling words, though spoken by an individual, represent the belief and solemn commitment of millions of Muslims around the world and here in the United States.

For centuries, the mission of the Islamic faith has been to convert the peoples of the world to the worship of Allah and obedience to Islamic law. This Holy War has been waged with brutality in the Middle East, Asia and Europe. America is now targeted.

Between 1979 and 2000, American interests were violently attacked more than 19 times. The American death toll prior to 9/11/2001 was approaching 1000 most of whom were innocent civilians.

The violence continues. Most recently we have been witness to the horror of barbaric beheadings of civilians.

Worldwide, the Holy War against Jews and Christians (and all non Muslims) is guided by the most sacred book of Islam, the Qur'an (Koran).

*“The only true faith in God’s sight is Islam” (Surah 3:19)*

*“Believers, take neither Jews or Christians for your friends” (Surah 5:51)*

*“Make war on them until idolatry shall cease and God,s religion shall reign supreme” (Surah 8:36)*

*“Slay them wherever you find them [Idolatry is worse than carnage] Fight against them until idolatry is no more and God’s religion reigns supreme” ( Surah 2:190)*

*“Cut off their heads and cut off the tips of their fingers” (Surah 8:12)*

**What you can do to defend your family, freedom and homeland from this threat.**

**Educate yourself. There are many resources available.**

Stay alert to changes in your community, schools and government.

Report suspicious people or activity to local law enforcement.

Teach your children to value the freedoms given to us in the Constitution-freedom of speech, religious expression and the right to keep and bear arms.

Insist that law enforcement and our elected officials enforce immigration laws and keep our borders secure.

Elect leaders who place the security of our homeland and preservation of our culture at the top of their priorities.

Consider acquiring the means and the skills to defend yourself and your family.

Feel free to make copies of this flyer and pass it on.
