

WOMEN And ISLAM

Under the sharia laws of Islam, the few rights women have do not equal those of men.

Women's rights in Islam are violated as a matter of Islamic law.

Under Islamic law --sharia-- women do not share in the rights women elsewhere on earth take for granted.

Islam is not a race.
Islam is not strictly a religion.
Islam is a hybrid political ideology that subjugates and destroys the lives of Islam dominated women.

Islam is a poligion, a political religion that oppresses women.

You can help Islam dominated women fight for their human rights.

Islam denies women their fundamental human rights.

"Men are in charge of women by right of what Allah has given one over the other and what they spend for maintenance from their wealth." [Qur'an 4: 34](#), ed. Saheeh.

In Islam women never reach the age of majority, always being the possession of a man.

"Belly and under the belly. Isn't that what Islam is all about?" [Irat Mirza](#), Persian poet.

In Islam, women are for the exclusive use of men.

"Meanwhile, as a misclassification of rape, there are women imprisoned all over the Muslim world who are actually rape victims. Some estimate as many as 75 percent of women in Pakistani prisons are there because they were raped." R. Spencer, *Islam Unveiled*, p. 91; [nb](#), p. 190, # 58.

At 6:00 a.m. Aug. 16, 2004, [16 year old Atefa Rajabi](#) was hanged from a crane in the town square at [Neka, Iran](#) for "crimes incompatible with chastity," for being raped by an older man. [stopstoning@yahoo.com](#).

"Take a handful of rods in thy hand, and strike thy wife therewith."

[Qur'an 38: 44](#), [G. Sale trans.](#)

Until women in Islam are freed from the bondage, domination, and threat of death from sharia laws, women in Islam will not share with other women of the world their Human rights.

Islam is not a race. It is a political and social ideology of oppression of women.

"My mother doesn't visit me in prison. If you see her, tell her she promised to bring me cheese curls and chocolate." Leila M., condemned to death by hanging for "Acts incompatible with chastity." Sold into prostitution at the age of eight by her mother, [Amnesty International reports](#) Leila M has the mental age of an eight year old. Cf. [stopstoning@yahoo.com](#).

WOMEN And SHARIA

"All human beings are born free and equal in dignity and rights."
Universal Declaration of Human Rights

Sharia is a medieval form of law which would negate all the progress women have made over the centuries to establish their own civil and economic independence.

"Men are in charge of women, because Allah hath made the one of them to excel the other..."
Qur'an 4:34

In England last September, a Kurdish father slit his daughter's throat because he disapproved of her Christian boyfriend and Westernized way of life.

Sharia law and medieval customs are becoming increasingly common in the heart of Christian Europe.

One of the most shocking examples of this new reality occurred in Sweden last year, when a Kurdish woman was killed by her father for having a romantic relationship with a Swedish man.
